# Renault KOLEOS

KOLEOS

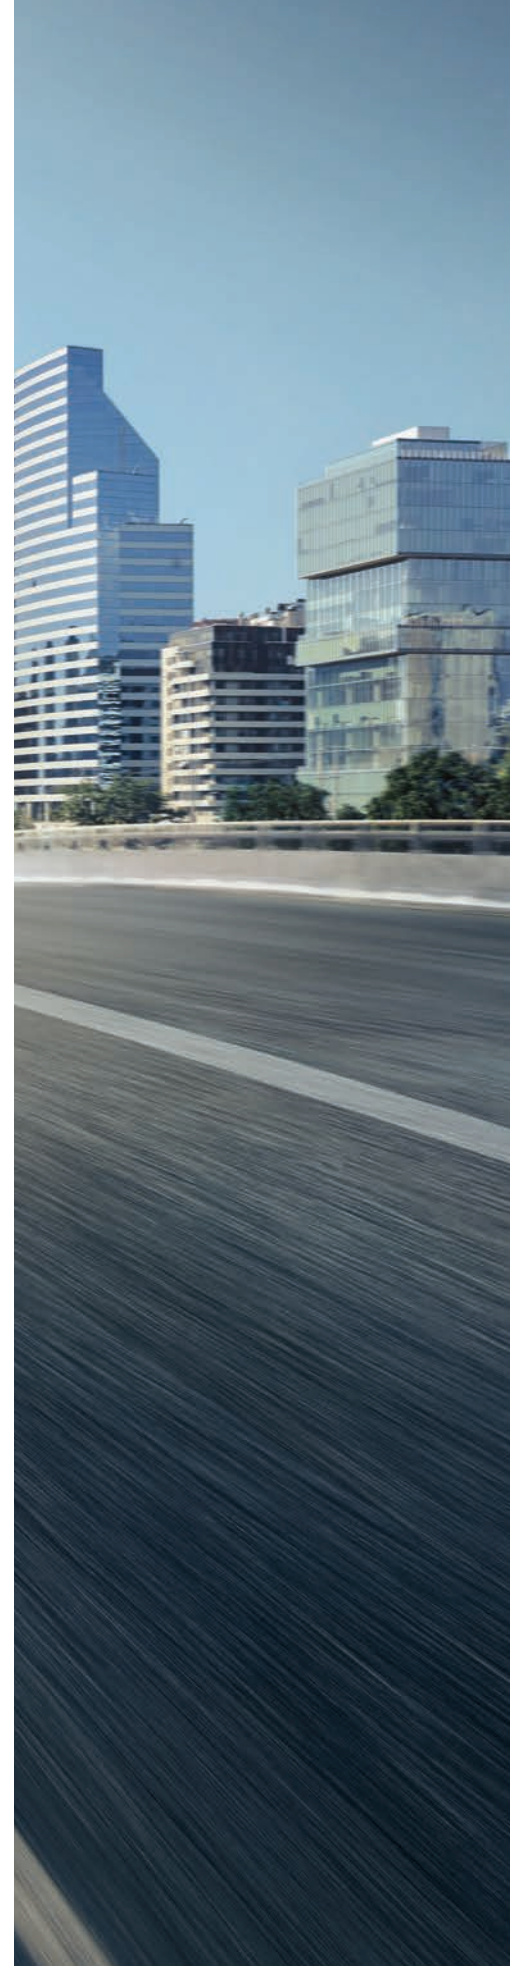

RENAULT

4x4

# Renault Koleos. The big SUV.

Bigger. Bolder. Better.

Renault Koleos is an evolution in automotive design and technology. With space that defies expectations and levels of comfort and finish that have to be experienced to be believed, Koleos sets the new standard in SUVs.

KOLEOS

# Distinctive design.

Renault Koleos is the embodiment of Renault's design philosophy 'Emotion in Motion'. Laurens van den Acker, Renault Head of Design:

*"Our challenge was to imagine an SUV that was elegant, but also modern and dynamic. We accentuated taut, powerful, horizontal lines, muscular haunches and a high ground clearance."*

His passion and dedication has been rewarded by being named '2016 Designer of the Year'.\*

You can see why.

## Take a seat.

*Renault's meticulous design philosophy and attention to detail applies to every aspect of Renault Koleos... including the cabin.*

Every detail of the interior has been carefully considered with clean lines and superior finishes.

The intuitive touchscreen has rich depth and colour, meaning driver information is delivered with brilliant clarity.

Satin chrome finishes across the dash and throughout the cabin look, and feel, fantastic. The electric panoramic sunroof<sup>~</sup>, with a motorised sun blind, extends over the rear seats. To reduce wind noise it opens underneath the cabin roof.

Choose between 5 different colour display options for both the multimedia, instrument display, and the cabin ambient lighting<sup>†</sup>.

With leather upholstered, heated or cooled<sup>^</sup> front ergonomic seats, (available in two different styles of leather<sup>\*</sup>) total cabin climate control, and a state of the art BOSE<sup>®</sup> premium sound system<sup>\*</sup>, you could be sitting in your lounge room.

<sup>~</sup> Standard on the Intens, Optional on the Zen <sup>†</sup> Ambient lighting not available on Life variant

<sup>^</sup> Heated seats available on Zen, Heated and cooled on Intens

<sup>\*</sup> Standard on Intens

# Technology driven.

The Koleos range features Apple Carplay® and Android Auto® for a better experience. It's a 'capacitive' touchscreen, which means it's easy to use. Simply drag, pinch, or swipe to navigate the same way you would on a tablet or smart phone. After all, good technology makes life simpler, not more complicated.

Renault Koleos allows you to design your personal home screen by choosing the size and position of the map~, radio, favourite contacts, navigation~ and more. Voice control means ease of use and safety while driving.

And when you have created the interior ambience to match your mood with all the different lighting options, engage the rich, acoustic experience delivered via the BOSE® premium sound system\*.

12 high-performance speakers\* deliver an experience similar to being in the middle of a concert hall performance. High notes are crystal clear and the deep bass delivered without distortion. It's a complete, immersive experience controlled via the touchscreen tablet.

\* Standard on Intens

~ Navigation/Maps not available on Life variant

2.

3.

1. Apple CarPlay™ and Android Auto™
2. Digital dashboard
3. Dual Zone Climate Control

# Big on space.

If there is one feature that sums up Koleos' 'total comfort', it's the room for occupants sitting in the back.

*The Renault Koleos has abundant rear passenger leg room. Yet there's still a cavernous 458 litres of luggage space.*

Rear passengers in the Renault Koleos enjoy dual air vents, dual USB charging ports\* and rear seat nets to keep things neat and tidy. Pull down the overstitched, leather trim\* centre arm rest if you need somewhere to put your drinks. Enjoy the ambience of LED interior cabin lighting... this could be the first SUV where you'd prefer to sit in the back seat.

\* Standard on Intens

## 2WD or 4WD. You decide.

The Koleos provides a range of driving options so you can confidently conquer mountains and cities. The Life and Zen variants are available in 4x2 (front wheel drive) while the Intens variant comes in both options, either 4x2 or 4x4.

So, what will you choose?

# Freedom of movement.

Renault Koleos knows when you are coming.

There is no need to take the key out of your pocket or bag; simply press the button on the door handle to unlock your Koleos.<sup>^</sup>

To open the boot, either use your remote key card or place your foot underneath the rear bumper. Sensors will open the motorised tailgate\* automatically, revealing 458 litres of luggage space in seconds.

The 'one-touch' easy folding rear seats<sup>^</sup> fold down to create a colossal luggage area. Even better, it is storage that's easily accessible with a low loading sill that makes it easier to pack cumbersome items inside. Rear boot cover hides your load and rear privacy glass protects it from prying eyes.

\* Standard on Intens

<sup>^</sup> Not available on Life

1.

2.

# Big on safety.

Safety is an essential cornerstone at Renault. Every Koleos in the range includes **Advanced Emergency Braking**. If a vehicle suddenly slows down in front of you, a forward collision warning light and tone alerts you.

Simultaneously, the vehicle is actively preparing for emergency braking by bringing the brake pads and discs closer together for maximum braking power in the minimum response time. If you don't react and step on the brakes, the car will activate braking for you.

**1. Emergency Braking Lights** In the case of heavy braking, the Renault Koleos activates its hazard lights to warn other vehicles around you.

**2. Adaptive Airbags** The Renault Koleos protects occupants with multistage, variable force deployment airbags.

# Driver assists

Renault engineers have long studied and re-imagined different driving situations to develop new technologies and systems to assist the driver. And not just in case of an emergency. They can help prevent emergencies from happening in the first place.

## Easy Park Assist<sup>#</sup>

The parking assistance system measures the parking space with its sensors (whether parallel, perpendicular, or angled) and defines the parking trajectory. Then it takes over the wheel and steers itself while the driver controls the speed and braking. It can also help to exit parallel parking spots.

## Front, Side, and rear parking sensors<sup>^</sup>

The Renault KOLEOS has you covered from all directions with sensors that give you an audible warning when moving or static objects are too close, as well as visual guidelines displayed on the touchscreen to let you know exactly how close you are to an obstacle.

### Automatic high and low beams

The Pure Vision LED headlamps on the Intens model will automatically switch from high to dipped beams when your Renault Koleos enters a built-up area or approaches another vehicle from the front or behind. Cornering foglights automatically switch on when turning corners.

### Blind Spot Warning system\*

The Renault Koleos detects vehicles entering your blind spot. An indicator light located on each wing mirror will warn you of any potential hazards.

^Front and side sensors not available on Life variant

# Available on Intens

\* Not available on Life

# Big on power.

The Renault Koleos packs a punch under the bonnet. The Koleos' 2.5L naturally aspirated multipoint fuel injection engine generates 126kW at 6,000rpm and 226Nm of torque. It can also tow 2,000kgs thanks to its power, torque and rigid chassis. However, if Diesel is more your style, the Koleos offers a 2.0L turbo diesel direct engine that generates 130kW at 3,750 rpm and 380Nm of torque.

## 2.5L ENGINE

The 2.5L petrol engine gives the Renault Koleos power all of its own. You'll be delighted by the quiet in-cabin volume and the feeling you get with rapid acceleration, responsiveness and fluidity. Perfect for drivers who expect their vehicle to not only be economical, but enjoyable to drive as well.

## 2.0L TURBO DIESEL ENGINE

The 2.0L turbo diesel engine (available in the Renault Koleos Intens) raises the Koleos to a new driving experience.

With impressive fuel economy of 6.1L/100km\* and enhanced power with 380Nm of torque, this diesel engine is great for drivers who are looking for a car with great cruising range. It's the perfect combination of power plus fuel economy.

*An engine is only as good as its transmission. Combined with Renault's new X-TRONIC continuously variable automatic transmission, Renault Koleos guarantees real driving pleasure.*

## X-TRONIC

The new X-Tronic automatic transmission offers fluid, responsive driving without interruption of torque. X-Tronic adjusts continuously while maintaining optimal engine speed and can also simulate gear shifts, producing even more powerful acceleration.

A wider gear ratio delivers excellent fuel economy, lower CO<sub>2</sub> emissions, quieter driving at low speeds and stronger acceleration at high revolutions.

## LIFE

17" Esqis alloys

Dark carbon cloth upholstery

- Adaptive front airbags with lateral and chest-level airbags for front cabin, with front and rear curtain airbags
- Electronic Stability Control (ESC), Anti-lock Braking System (ABS), Emergency Brake Assist (EBA), Electronic Brake-force Distribution (EBD) safety systems with emergency warning lights
- Advanced emergency braking system (AEBS) - Intern-urban
- Forward collision and Lane Departure Warning system (LDW)
- R-LINK 2 – Multimedia system with voice control<sup>^</sup> and custom home screens
- Landscape 7" Capacitive touchscreen, AUX, 2x USB, and fingertip controls
- Arkamys 3D sound system with Bluetooth<sup>\*</sup>
- phone pairing with audio streaming<sup>\*</sup>
- Apple Carplay<sup>®</sup>/Andriod Auto<sup>®</sup>
- Hill Start Assist (HSA)
- Easy access foot brake
- Rear parking sensors with rear view camera
- ECO Mode for lower emissions and fuel saving
- Foldable insert key
- Automatic windscreen wipers and headlights
- Auto-door lock when driving
- Dual zone climate control air conditioning
- Dark carbon cloth upholstery
- ISOFIX child seat fixing points on rear outermost seats with rear seat belt warning
- Rear cabin with central armrest, rear air vents, seat back storage nets and 12v socket
- Instrument display with colour 7" thin-film transistor screen with personalised design settings
- LED daytime running lights and Renault signature front and rear 3D Edge front and rear lighting
- 17" Esqis silver alloy wheels with full size temporary spare wheel – 17" steel
- Shark fin antenna

### Options

- Metallic paint

<sup>^</sup> Voice control for Siri capable phones only

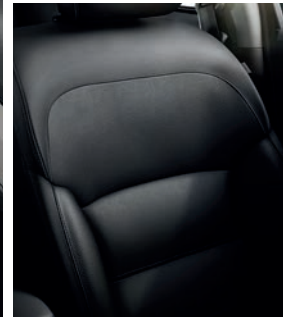

<sup>\*</sup> Bluetooth compatibility may vary depending on phone

# Creative workshop

## ZEN (LIFE +)

18" Taranis alloys

Soft touch, artificial leather

- Electronic parking brake
- Front and rear parking sensors with rear view camera
- Blind Spot Warning (BSW)
- Engine start button with hands-free smart key
- Automatic 'walk away' door locking
- Welcome sequence with lighting signature illumination
- Heated front seats
- Brushed silver and satin chrome interior cabin highlights
- Soft-touch & easy clean artificial leather seats
- Electrically adjustable driver's seat with electric lumbar support
- One-touch easy folding rear seat system
- Tinted rear glass and boot cover for privacy
- R-LINK 2 – Navigation and multimedia system with voice control<sup>^</sup> and custom home screens
- Landscape 7" capacitive touchscreen, AUX, 2x USB, and fingertip controls
- 18" Taranis alloy wheels with full size temporary spare wheel – 17" steel
- Satin grey roof rails
- Tyre pressure sensor

### Options

- Metallic paint
- Sunroof Pack – Electric sunroof, and automatic dimming rear view mirror)

<sup>^</sup> Voice control uses Bluetooth<sup>®</sup> capability. Bluetooth<sup>®</sup> compatibility may vary depending on phone.

## INTENS (ZEN +)

19" Proteus wheels (petrol only)

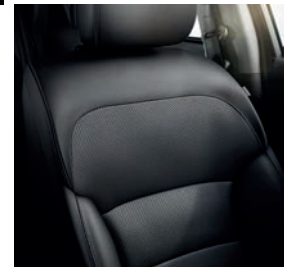

18" Argonaut alloys (diesel only)

- 4x2 or 4x4 options available
- Pure Vision LED headlights with automatic high/low beams
- Side parking sensors
- Easy Park Assist – parking assistance system
- Remote engine start
- Interior ambient cabin lighting
- Automatic dimming rear view mirror
- Electrically adjustable driver and passenger seats with driver electric lumbar support
- Black leather trimmed upholstery with heated and ventilated front seats
- Hands-free power tailgate
- 2.5L naturally aspirated or 2.0L turbo diesel engines available

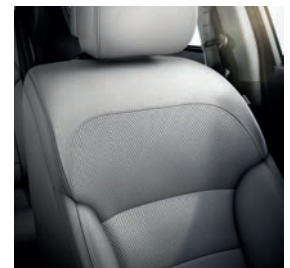

- Portrait 8.7" capacitive touchscreen, AUX, front and 2x rear USB charging points and fingertip controls
- BOSE® premium sound system with 12x speakers, subwoofer, and digital amplifier
- Wood grain effect interior cabin trim
- 19" Proteus alloy wheels~
- Chrome trim exterior highlights
- Electric panoramic sunroof – Front opening, tilting, sliding, and anti-pinch

### Options

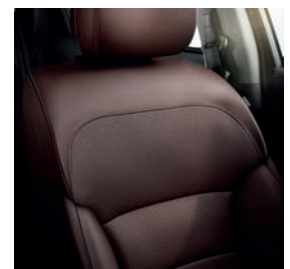

- Metallic paint
- Platinum grey leather trimmed upholstery
- Chestnut brown leather trimmed upholstery

Full grain black leather (Standard)

Platinum grey leather

Chestnut brown leather

~19" Proteus alloys on petrol only. 18" Argonaut alloys on diesel only.

The seats are completely upholstered in full grain leather on the front side of the seat cushion, the seat back, the headrests and the side impact bars. Other elements are covered in coated textile.

# Genuine Accessories

## Storage & Cargo

For your day to day drive, or an extraordinary road trip adventure, there's a genuine accessory perfect for keeping you organised and on track.

- 1. **Luggage organiser** (8201665632)
- 2. **Reversible boot mat** (8201665646)
- 3. **Coat hanger** (7711578137)

View the full range of accessories at [renault.com.au](http://renault.com.au)

# Genuine Accessories

## Towing & Payload

Every adventure is made better with the right gear. There is a diverse range of accessories to safely transport your gear – whether it is a snowboard, bicycle, or boat – safely to your destination.

**1. Ski carrier – 6 ski** (7711420779)

Also available:

Ski carrier – 4 ski (7711420778)

Surfboard carrier (7711419628B)

Bicycle carrier – fits to roof bars (7711577325)

**2. Towbar** (G9162HZG00AU)

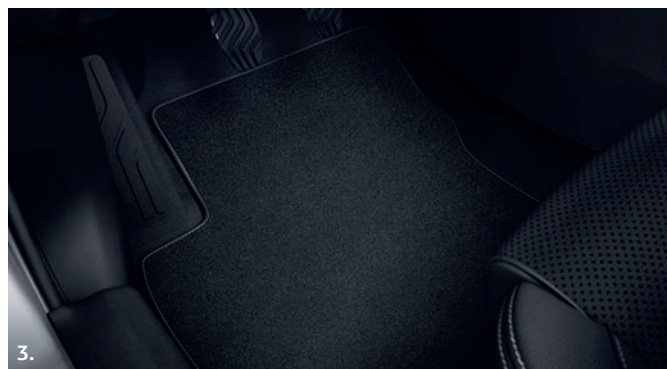

**3. Aluminum roof bars** (8201622100)

View the full range of accessories at [renault.com.au](http://renault.com.au)

# Genuine Accessories

## Comfort & Protection

Out of the ordinary comfort comes standard on the Renault Koleos, but with a few choice genuine accessories you can take comfort and protection to a whole new level. Make every drive that little bit more special.

- 1. **EasyFlex cargo liner** (8201665647)
- 2. **Boot sill protector** (8201665650)
- 3. **Carpet floor mats** (749005884R)

# Our quality. Your peace of mind.

When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

## **Comprehensive Warranty**

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on KOLEOS.

## **Capped Price Servicing**

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 90,000 km (whichever occurs first) behind the wheel. The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. And because you're busy, Renault vehicles are designed to require servicing only once per calendar year or every 30,000km (whichever occurs first) – not every six months like some manufacturers.

## **3 Years of Free Map Updates**

As a new Renault owner, you will receive 3 years of free map updates to provide you with the most up to date navigation information in your vehicle.

## **24/7 Roadside Assistance**

As a new Renault owner, you are backed by Renault's 24/7 Roadside Assistance for up to 4 years when you service your vehicle with Renault, regardless of how many kilometres you travel. Simply call 1800 009 008 and we'll provide the support you need. Available 24/7, 365 day a year, all across Australia.

## **Genuine Renault Parts**

Genuine Renault parts, lubricants and accessories are of the highest quality and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1 year unlimited kilometres warranty. Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.
