

Equinox

**Holden**  
Let's go there

## The perfect SUV for real life.

Things don't always go as planned. There aren't always enough hours in the day. And sometimes it'd be nice to have more than one pair of hands. That's not a bad thing; it's just life. So, here's an SUV that's made for the way you actually live.

For starters, it has the stylish good looks of a premium SUV but you don't have to treat it with kid gloves. Jet-black leather-appointed trim<sup>1</sup> adds a nice bit of luxury inside, but it's also easy to clean.

Little spills and crumbs just wipe right off. The panoramic glass sunroof<sup>2</sup> is something else you're going to love, especially if you're stuck in the office all day and need to top up your vitamin D levels.

On cold early mornings, heated front and rear seats<sup>1</sup> and steering wheel<sup>2</sup> make things nice and cosy. And when it's a scorcher outside, ventilated front seats<sup>2</sup> will help keep you cool.

These days, peace and quiet can be hard to come by. You'll like the way Active Noise Cancellation helps to take care of that.

And of course, an SUV is all about space. One-touch fold flat back seats<sup>3</sup> put all the room you need at your fingertips, so you can save your workout for the gym. Better still, the hands-free tailgate<sup>1</sup> powers open when you wave your foot under it.

You'll find that really handy when your hands are full.

LED headlamps and taillights<sup>1</sup> add a sharp design touch, but once again, this is an SUV that doesn't just look good. With two-wheel drive and all-wheel drive models<sup>1</sup> it can handle whatever your life throws at it, perfectly.

<sup>1</sup> LTZ and LTZ-V models only.  
<sup>2</sup> LTZ-V model only.

<sup>3</sup> LT, LTZ and LTZ-V models only.

# We've thought of everything, so you don't have to.

Work. Friends. Gym. Kids. Dogs. Family. Sport. DIY. Teenagers. Life can get crazy, and while we can't do much about that, we can give you less things to worry about. The technology we've packed into this SUV won't just make your day easier; it'll keep you safer.

If the kids are always draining the battery on your phone, you'll find wireless phone charging<sup>1</sup> a real bonus. And because the radio doesn't play 'The Wheels on the Bus' on a loop, you'll be thankful for Apple CarPlay<sup>®</sup> and Android<sup>®</sup> Auto<sup>2</sup>. It's phone projection technology that seamlessly syncs your smartphone to the car's screen so you can access your phonebook, navigate with your maps and play your favourite playlists via the Bose<sup>®</sup> Premium Audio System<sup>1</sup>. You can also make calls, text mates and get directions, all without taking your hands off the wheel. And the 8-inch colour touch-screen<sup>3</sup> is nice and big so it's easy to follow while you drive.

Keeping everyone you care about safe is another thing this SUV takes very seriously with HoldenEye<sup>®4</sup>. It works like an extra pair of eyes, looking out for potential dangers and warning you before they can happen.

Forward Collision Alert<sup>4</sup> lets you know when you're closing in too fast on the car in front. And because we all drift out of our lane sometimes, Lane Keep Assist<sup>4</sup> will help steer you back on course as the vibrating Driver's Safety Alert warns you — subtly — to pay attention, unlike that back-seat driver we all know. Autonomous Emergency Braking<sup>4</sup> will even intervene in certain situations and brake the car for you, reducing the severity of potential collisions or even avoiding them entirely.

There's also Blind Spot Alert<sup>4</sup> for eyes-in-the-back-of-your-head vision when you're changing lanes. Your headlamps have High-Beam Assist<sup>4</sup> so you can light up the road ahead at all times without dazzling other traffic. And Rear Cross Traffic Alert<sup>4</sup> helps you safely reverse out of those tight shopping centre carparks when your vision is restricted.

<sup>1</sup> LTZ and LTZ-V models only. Requires a compatible device.

## Equinox LS

### In Son of a Gun Grey

Hope you like surprises, because that's just what you get with the LS.

It's packed with features you'd usually expect on more expensive models. Like Apple CarPlay® and Android® Auto<sup>2</sup> so you can do all the things you love doing on your phone, via the 7-inch touch-screen.

Passive Entry and Push-Button Start (PEPS) is another handy gadget, especially when your hands are full. And don't be surprised if the engine stops when you idle. It's designed to do that to save on fuel and reduce emissions. It'll start again automatically as soon as you step off the brake pedal. The LS will make you feel safer too, with LED Daytime Running Lamps, stability control and six airbags. And if you're worried about parking an SUV, don't be. The LS has Rear Park Assist and a Rear View Camera to make it easy getting in and out of even the tightest spots. And since we know you're craving a bit of peace and quiet, Active Noise Cancellation means driving is nice and relaxing

#### Standard across the range:

- 127kW 1.5L turbo-charged direct injection petrol engine with 6-speed automatic transmission
- 17" alloy wheels
- 7" touch-screen
- Apple CarPlay® and Android® Auto<sup>2</sup>
- Stop/Start Engine
- Rear Park Assist
- 6 airbags
- LED Daytime Running Lamps
- Alloy wheels
- Jet Black cloth trim
- Rear View Camera
- Passive Entry and Push-Button Start (PEPS)
- Automatic headlamps
- 6 speaker audio system
- Active Noise Cancellation

<sup>1</sup>Requires a compatible device. Data rate plans may apply.

## Equinox LS+

In Summit White

The LS+ takes things up a notch by giving you all that's good in the LS, plus HoldenEye®<sup>4</sup> to keep you and the ones you care about safer than ever.

### See how HoldenEye®<sup>4</sup> protects you more:

- Forward Collision Alert with Head-Up Warning to alert you when you're closing in too quickly on the car in front.
- Lane Departure Warning with Lane Keep Assist to help steer you back on course when you inadvertently drift out of your lane.
- Following Distance Indicator to help you keep a safe distance from the vehicle ahead.
- Autonomous Emergency Braking to help reduce the likelihood and severity of a frontal impact in certain situations.
- Safety Seat Alert warns you subtly of dangers around the vehicle with vibrations in your driver's seat.

It's a little luxury that makes a big difference, just like the look and feel of the leather steering wheel on this LS+ model.

### Additional features over LS:

- Rear Cross Traffic Alert
- Blind Spot Alert
- Forward Collision Alert with Head-Up Warning
- Rain-Sensing Wipers
- Autonomous Emergency Braking (low-speed)
- Following Distance Indicator
- Lane Departure Warning with Lane Keep Assist
- Leather steering wheel
- Automatic High Beam Assist
- Safety Seat Alert

<sup>4</sup>HoldenEye® is a registered trademark of GM Holden.

## Equinox LT

In Nitrate Silver

The LT has everything you'll love in the LS+ with a few extra comforts to make it just a little more special. The heated front seats heat up so quickly, you'll feel warmer in seconds. Dual-zone climate control makes sure you stay as warm or as cool as you like, no matter what the temperature is outside. Four USB charge points will be a huge hit with the kids and you, because everyone will be kept busy for hours. There's more tech in the LT too, like a bigger 8-inch colour touch-screen for Apple CarPlay® and Android® Auto<sup>2</sup>. It also displays embedded satellite navigation and a compass so you'll never be lost for directions again. And with more sparkle and chrome around the car and shiny 18-inch alloys, you'll look ready to hit a night on the town.

### Additional features over LS+:

- 188kW 2.0L turbo-charged direct injection petrol with 9-speed automatic transmission or optional 1.6L turbo-diesel engine with 6-speed automatic<sup>5</sup>
- 18" alloy wheels
- 8" touch-screen
- Embedded satellite navigation
- Front and Rear Park Assist
- One-touch fold flat back seats
- Dual-zone climate control
- Temperature/moisture sensor
- Compass display
- Remote engine start
- 4 USB charge points
- Dual exhaust tips
- HID (High-Intensity Discharge) headlamps

<sup>2</sup> Requires a compatible device. Data rate plans may apply.  
<sup>5</sup> Available in 2018.

# Equinox LTZ

## In Glory Red

If you're into even more technology, the LTZ is the model for you. Life can be a tangle sometimes, so there's wireless phone charging (for compatible devices) to help you declutter your car. The LTZ is also fitted with the very latest Bose® premium audio system that sounds just as good (probably better) than your sound system at home. On a more practical note, Advanced Park Assist literally does the hard work for you to get into even the tightest spots, and when your hands are full of the week's groceries, simply kick your foot under the rear bumper and watch the tailgate power-up effortlessly, all without needing to grab the sensor key out of your pocket or bag. And let's not forget Jet Black leather-appointed trim, front and rear heated seats (with one-touch fold flat back seats), LED headlamps, tail-lights, and interior ambient lighting, chrome roof rails and 19-inch alloy wheels to keep you looking and feeling good. With Front Wheel Drive

(FWD) and All Wheel Drive (AWD) options, the LTZ can handle all conditions.

### Additional features over LT:

- 19" alloy wheels
- Optional AWD
- Optional 1.6L turbo-diesel engine with 6-speed automatic and AWD<sup>5</sup>
- Advanced Park Assist
- Jet Black leather-appointed trim
- Bose® premium audio system
- LED headlamps
- LED tail lamps
- Rear heated seats
- LED interior ambient lighting
- Auto headlamp levelling with Automatic High Beam Assist
- Wireless phone charging (with compatible device)
- Digital radio (DAB+)
- Power driver's seat with memory
- Hands-free power tailgate
- Chrome roof rails

<sup>5</sup>Available in 2018.

2-Panel Panoramic Sunroof

Fold-down seating

Complete rear storage

# Equinox LTZ-V

In Summit White

It just doesn't get any better than this. The LTZ-V is the ultimate in luxury, combining all the best bits of the other models with some truly outstanding features. The dual-panel panoramic sunroof is something special, opening almost the entire roof above the passenger compartment to the sky, so you feel part of your surroundings. Ventilated front seats will keep you cooler in summer and when the temperature drops, your cold hands will love the feel of the heated leather steering wheel. With All Wheel Drive standard, you can take the LTZ-V anywhere, even if that's mostly just to work and back.

#### **Additional features over LTZ:**

- All Wheel Drive (AWD) standard
- Optional 1.6L turbo-diesel engine with 6-speed automatic<sup>5</sup>
- Dual-panel panoramic sunroof
- Ventilated front seats
- Power front passenger seat with memory
- Heated steering wheel

<sup>5</sup>Available in 2018.

## Give your Equinox the personal touch.

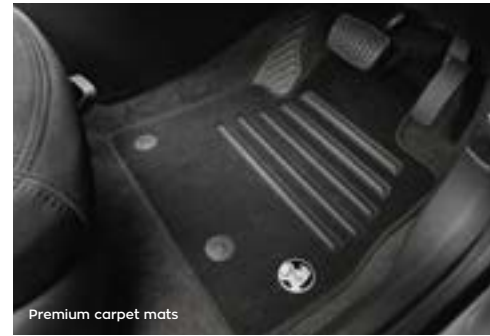

If one of your passengers is four-legged and furry, a pet restraint net might make your Equinox more comfortable and safer for your fur child. Or if you've got a boat or a caravan the towing package will definitely come in handy – particularly with the 2 tonne towing capability on 2.0T variants. With Equinox accessories, it's all about personalising your car to better fit your life.

- Floor mats
- 19" alloy wheels
- Neoprene car seat covers
- Bonnet protector
- Headlamp protector
- Weathershields
- Cargo barrier
- Cargo net
- Towing package
- Smartshades
- Mudflaps
- Floor-mounted cargo net
- Insect screen
- Pet restraint net
- Roof carrier

Insect screen

Premium carpet mats

Rear smart shade

Rear seat covers

Assist steps
